Universities & Institutes (2-year Master's programs)

Murdoch University

- **Master of Information Technology – Artificial Intelligence and Data Science** (with Dissertation)
  Duration: **2 years**, Full-time
  Approximate annual fee: **AUD 30,840** (around INR 17 lakh/year)

Curtin University

- **Master of Computing (Artificial Intelligence)**
  Duration: **2 years**, Full-time
  Annual fee: **AUD 33,830** (~INR 19 lakh/year)

Southern Cross University (Perth Campus – Venture)

- **Master of Computing with specialization in Cybersecurity**
  Duration: **24 months**, Full-time
  Approximate annual tuition: **AUD 25,000** (~INR 14 lakh/year)

Edith Cowan University (Joondalup Campus)

- Offers **Master of Cyber Security**, **Data Science**, etc., typically structured as **4-semester (2-year)** programs. Exact fees vary but are in the **public university** range (likely AUD 28,000–40,000 per year).

Institution	Course/Focus	Duration	Approx. Annual Fee (AUD)
Southern Cross Univ.	MComp (Cybersecurity)	2 years	25,000
Murdoch University	MIT – AI & Data Science (with Dissertation)	2 years	30,840
Curtin University	MComp (Artificial Intelligence)	2 years	33,830
Edith Cowan University	Master's in Cybersecurity / Data Science	2 years	~28,000–40,000 (public)
North Metropolitan TAFE	Certs/Diplomas in Cybersecurity/IT	~6–12 mo	Lower, VET level

TAFE / Vocational Option (Practical pathway)

North Metropolitan TAFE

- Offers practical and industry-oriented certifications in **Cyber Security**, **Networking**, **Data & Voice Communications**, and **Programming**.
  These diplomas/certificates often span **6–12 months** and can lead into university programs.

Estimated Fee Ranges *(First Year)*

Fee Component	Estimated Range (AUD)	Approx. in INR*
Tuition (per semester)	From **6,402**	~INR 3 lakh (approx.)
First-year Tuition Estimate	**1,200 – 6,250** total	INR 65,000 – 3,38,625
Resource & Materials Fees	Varies per course & semester	Additional, not included above
Total (incl. extras)	Likely in the range of **AUD 2,500 – 13,000+**	INR 1.3 lakh – 7 lakh+

COURSES (1 YEAR):

North/South Metropolitan TAFE (Perth Vocational Colleges)

1. ICT50220 Diploma of Information Technology (Cyber Security & Networking)

- Duration: **2 semesters (~1 year)**
- **International Estimated Fees:** Approx **AUD 12,804 tuition + AUD 690 resource fees + AUD 220 materials**

2. Certificate IV in Information Technology (Data Science & AI)

- Duration: Typically **1 year or less**
- **Status:** Offered by North Metropolitan TAFE (East Perth)
- *Note:* International fees not listed publicly—would be detailed in TIWA Letter of Offer

3. Certificate IV / Advanced Diploma in Cyber Security

- Example: **Advanced Diploma of IT (Cyber Security)** (12 months), domestic fee only (approx AUD 1,230)
- International fees to be obtained directly via TIWA.

TAFE International Western Australia (TIWA) to get detailed international pricing and payment structure.

Edith Cowan College (ECC) — Pathway to University

Diploma of Science (Computing/IT) (Year 1)

- Duration: **8–12 months (1 year)** so fits your requirement
- **International Fee: AUD 26,500 for Year 1**
- This is a pathway into 2nd year of ECU IT-related degrees, including specializations like Cyber Security and Data Science

ECC also offers pathway diplomas in engineering, but the computing/IT diploma aligns best with your field.

1. North Metropolitan TAFE — Diploma in Information Technology Networking

- **Duration**: ~13 months (just over a year)
- **Focus**: Networking, foundational IT skills; relevant for Cybersecurity pathways
- **Estimated International Fee**: **AUD 5,740** for the first year (excluding living costs) *(Note: exceptionally low compared to other options—best for affordability.)*
- **COURSE LIST:**

  - **Information Technology**
  - **Library and Digital**
  - **Cyber Security**
  - **Data and Voice Communications**
  - **Networking and Security**
  - **Programming**
  - **Web Development**
  - **Robotics**

2. Stanley College, Perth — Diploma of Information Technology (Cyber Security)

- **Duration**: 52 weeks (1 year)
- **Focus**: Cybersecurity fundamentals
- **Estimated International Fee**: **~AUD 11,000** for tuition

3. Curtin College — Diploma of Information Technology

- **Duration**: 8–12 months
- **Focus**: IT, including software development and foundation-level computing
- **Estimated International Fee**: **AUD 32,600** (includes tuition + some mandatory fees and insurance)

4. Edith Cowan College (ECC) — Diploma of Science (Computing / IT)

- **Duration**: 8 months to 1 year
- **Focus**: Computing, IT, pathways into Data Science, AI & Cybersecurity via ECU
- **Estimated International Fee (Year 1)**: **AUD 26,000–34,550** tuition

Quick Comparison Table

Institution	Course	Duration	Estimated Fee (AUD)
North Metro TAFE	IT Diploma (Networking)	~13 months	**~5,740**
Stanley College	Diploma IT (Cyber Security)	~1 year	**~11,000**
Curtin College	Diploma of Information Technology	8–12 months	**~32,600**
Edith Cowan College (ECC)	Diploma Computing / IT	~8–12 months	**26,000–34,550**
